TRAVEL AWARDS: THE WORLD'S 15 BEST BUDGET HOTELS OF 2019

BY TEAM FATHOM

If there's anything we love more than a great hotel, it's a great hotel that feels like a steal.

The Fathom Travel Awards is our ongoing celebration of the best places, services, and products in the world.

This year, we focused on hotels in destinations that are usually on the pricey side: big cities, hot destinations, and great beaches.

HOTEL ALEXANDRA

Where: Copenhagen, Denmark

What We Love: The collection of midcentury modern pieces is so impressive the hotel could double as a furniture showroom. The rooms filled with '50s and '60s details are dedicated to such great Danish designers as Arne Jacobsen, Hans Wegner, and Finn Juhl. Stealing that chair for home might be a little harder than the hotel toiletries, but try anyway.
